Meet with state senators to discuss federal infrastructure funding allocations received by Nebraska to install and repair water, wastewater, electric, and broadband. Also, discuss opportunities to address workforce development and labor shortages in the construction industry, and state enforcement of Nebraska 811.

\*\*\* A bus will depart at 3:00 p.m. that day from Embassy Suites LaVista and drive to the event. \*\*\*  
If you live in Lincoln or surrounding areas, please feel free to drive on your own to Billy's.
